SUMMARY

"Highly motivated software engineering student with strong coding and development skills. Proficient in multiple programming languages including Java, Python and C++. Experienced in developing software applications and working with databases. Skilled in problem-solving and collaborating with teams to deliver high quality solution. Looking for an opportunity to apply my technical skills and to contribute to a dynamic software engineering team"

TECHNICAL SKILLS

Programming languages: C, C++, Java, Python, JavaScript, NodeJS, ReactJS, HTML5, CSS, MySQL, MS PowerPoint, MS Word

ABOUT

* Good time management
* Ability to work in team
* Quick learner
* Ready to grab opportunity

PROJECTS

* **Tic-tac-toe game**
  Programming languages: C++
  A two player game uses 3x3 grid to make the moves.
  Used min- max algorithm to guess and calculate the next move or the Winning move.
  -Sept, 2022

* **Security System Management**
  Programming Languages: C++
  Contains various options like registration, login, change password, etc., for user interaction Used C++ concepts like switch case statements, loops, arrays, file handling etc.
  - Mar, 2022

* **Covid Vaccine Finder**
  Programming languages: Python
  Contains various libraries of python which is used to crate an gui app to find covid vaccines with the center location according to the required dates.
  - May, 2021

CERTIFICATIONS

* Cyber incident response specialization by Infosec.
  -Mar, 2023

* C++ and Data Structure During this certification I learned about different data structures in C++ and how to implement them to solve problems o Certified by GFG
  -Sept, 2022

POWER SKILLS

ACHIEVEMENTS

* 4 Star Rating in C++ on HackerRank

* Solved more than 100 DSA question(easy and medium level) on Leetcode platform
  Feb, 21 - Apr , 21

EXTRA CURRICULAR ACTIVITIES

* Participated in codeathon in programming pathsala
  Feb,23

* Participated in coders combat by Geeksforgeeks
  Dec,21

EDUCATION

B.Tech. in Computer Science   Apr, 20 - Present
Lovely Professional University | Phagwara

Higher Secondary   Jun ,18 - Mar,19
Patamda inter college, jalla | Patamda
